Business

Fresh off the final showing of HISTORY's *Full Metal Jousting*, 2001 World Champion Steer Wrestler Rope Myers tied for the top spot in the first round at the Angelina County Benefit Rodeo in Lufkin, Texas. He won \$1,178 as part of a three-way tie with Clayton Hass and Matt Reeves. The check was more than Myers had earned in the previous three years combined in ProRodeo. Myers picked up the \$25,000 consolation prize on *Full Metal Jousting*.

Rodeo Entry Information

30-HOUR REPLACEMENT RULE

ALL EVENTS: A DR, VIR, or a notified TO can be replaced by an alternate from a list of contestants that were drawn out as a result of using the “no same day” or “no same performance” preferences or due to qualifications, as long as the notification is made through PROCOM at least 30 hours prior to the scheduled performance (or slack) in which the contestant is being replaced. Notifications made after the “30 hour” deadline will not be replaced and notifications on record with PROCOM at the 30 hour deadline will be final. Replacements must be made prior to the first go-round of competition. In the team roping, a team will only be replaced if both partners of the team notify a DR, VIR, TO or DO following the same guidelines as applied in the other events. If only one member of the team notifies and his partner chooses to compete, his partner can find a replacement partner per rule R6.4. If stock has already been drawn in the riding events, the judges will draw an animal for the alternate contestant, after the TO deadline for that performance, from a pool consisting of the animal drawn by the contestant that he is replacing, any other turned out animals (which includes NTO’s, DR’s, and VIR’s), and the designated re-rides for that performance (if still available). If stock has not yet been drawn, the contestant will be drawn an animal by PROCOM during the scheduled stock draw time. Animals that are turned out (includes NTO’s, DR’s, and VIR’s) will not be included in the re-ride draw until after the TO deadline (3 hours prior to the performance) and replacements for that performance have been made, to insure that there are the same number of animals and contestants for that performance.

ALTERNATE LIST (for events that add \$10,000 or more)
Contestants who were drawn out due to using the “NSD” or “NSP”

preferences or who were drawn out due to using the “replace me if I don’t get my preference” parameter will be the first to be considered as alternates in the order that they originally qualified for the rodeo or event. Contestants who entered during the original entry period and were drawn out due to qualifications will be considered next. For rodeos or events that start prior to May 1, 2012, alternates will be selected based on 2011 money won. For rodeos or events that start on or after May 1, 2012, alternates will be selected based on 2012 money won, as of 7 days prior to entry closing. If an alternate is scheduled to compete at another PRCA rodeo or event that has a “same day” conflict with the position for which he is being considered as a replacement, he will not be eligible to be an alternate for that position. If a contestant does not accept an available position or is not eligible for a position due to a conflict, he will remain on the alternate list in the same order for any other positions that may become available.

ALTERNATE LIST (for events that add less than \$10,000)
Contestants who were drawn out due to using the “NSD” or “NSP” preferences or who were drawn out due to using the “replace me if I don’t get my preference” parameter will be the first to be considered as alternates in the order that they originally qualified for the rodeo or event. Next in the order, on the alternate list, will be a random draw of all contestants with “money won”, followed by a random draw of all contestants with no “money won”. Only contestants who entered during the original entry period will be considered as alternates.

Due to “featured” events and “equal money” in the team roping, some rodeos may be using both types of alternate lists for different events.

RE-ENTRIES POLICY

Each committee will have the option to implement the “Re-entries Policy” at its rodeo at the time of approval.

RIDING EVENTS: Re-entries will be accepted at limited entry rodeos where the actual entries accepted during the original entry period were less than the limit. Also, if there was not a limit for an event, and there were not enough entries after the original entry period to place at least 12 contestants in each performance, re-entries will be accepted. A time period will be designated and published in the Business Journal in the ground rules of each rodeo for the entries to be re-opened sometime prior to the riding event stock draw. Contestants that enter during the re-entry period will be placed in the remaining available positions (available positions will be defined by the stock contractor and/or committee based on the number of contestants that entered during the re-entry period.) All re-entries will be accepted to fill the performances not to exceed the original limit defined in the ground rules (based on “money won” qualifications) or an equivalent of 12 per performance at a rodeo that did not limit its entries (based on a random draw.)

TIMED EVENTS: Re-entries will be accepted for events that did not have enough entries to place at least 10 contestants in each

performance. Contestants that enter during the re-entry period will be placed in the remaining available positions (available positions will be defined by the stock contractor and/or committee based on the number of contestants that entered during the re-entry period.) All re-entries will be accepted to fill the performances not to exceed the original limit defined in the ground rules (based on “money won” qualifications) or an equivalent of 10 contestants per performance at a rodeo that did not limit its entries (based on a random draw.)

ALL EVENTS: A contestant that re-enters will not be placed in a position that conflicts with his position at another PRCA rodeo or event. Further, a contestant placed in slack during the original placement of a rodeo may request a trade into an open position in a paid performance during the re-entry time.

If an event has less than 5 entries at the original closing time, and is declared “no contest”, the contestants that entered that event will be informed at callback time that re-entries will be taken at the published time. They will not be drawn a position at this time and will be required to re-enter during the re-entry period. (Does not apply to any Circuit Finals and special events.)

Rodeo Entry Information

Permit Sessions

Permit Sessions may include one or more of the PRCA standard or optional events (BB, SB, BR, TD, SW, TR, SR).

Conflicting dates with other PRCA rodeos or events may be considered before approval. There will be no approval fee for Permit Sessions.

A PRCA Stock Contractor or firm will be required to be listed on the approval application as a primary stock contractor. Sections R8.1 and R8.2 of the PRCA Rulebook will be waived for permit sessions.

Points will count only towards filling a permit. Permit members and "Learning Permit" members will be allowed to enter Permit Sessions. Applicants for "Learning Permits" must be at least 18 years of age, complete a membership application and submit it to the PRCA office to be eligible and active.

Added purse money will be optional.

Entry fees will be \$50.00 (\$40.00 will be included in the payoff, \$10.00 will be applied to insurance. There will be no PROCOM, Circuit, or Judges fee paid by the contestant. Stock charges will be optional and will not exceed \$15.00 per go-round. Entry fees will be paid in cash on site. Only entry fees collected by the rodeo secretary will be included in the payoff. There must be at least 2 contestants to have a contest. If there are 5 or less contestants, two places will be paid (1st--60%, 2nd--40%). If there are more than 5 in an event, four places will be paid (1st--40%, 2nd--30%, 3rd--20%, 4th--10 %).

An ambulance will be required to be on site.

For Bull Riding Permit Sessions, two PRCA bullfighters will be required to present (at least one of these must be a card member and the other must be at least a "permit" member). Two PRCA pickup men will be required for Bareback Riding and Saddlebronc Riding Permit Sessions (at least one of these must be a card member, and the other must be at least a "permit" member.) All bullfighters and pickup men will be required to pay the mandatory \$10 insurance fee per rodeo (or event) and must be eligible.

Permit Sessions can be used as a training and evaluation ground for prospective announcers, secretaries, timers, judges, and other contract personnel.

Procom will take entries. Permit Sessions will be listed in the long listings of the Business Journal. Stock will be drawn on site.

Riding event livestock drawn for competition at permit sessions will not be counted for determining the minimum performance requirements for livestock to qualify for the NFR or any Circuit Finals.

Contract personnel will not receive a participation count towards the minimum requirements of qualify for the NFR or any Circuit Finals.

The Supervisor of Pro Officials will assign the judges.

All contest rules will comply with the PRCA Rulebook.

An approved PRCA member representative/instructor will be required to be present and listed on the Permit Session application.

Insurance requirements---to be determined.

A "Learning Permit" may be purchased for \$50.00 (\$40.00 for insurance, \$10 for dues). This will allow the Learning Permit member to enter Permit Sessions only. If he chooses to later purchase a permit that will allow him to enter PRCA rodeos where permits are accepted, he will only be responsible to pay the remaining balance to become a "Permit " member (the \$50 will be applied to the balance)

Once a "Learning Permit" member earns more than \$1000, he must either apply for a second permit or a "first year" card when he renews his membership. (He will not be issued a second "Learning permit" after he earns \$1000.)

TIE DOWN ROPING 2012 GROUND RULE

For the 2012 rodeo season, an industry wide no jerk down rule will be in effect. The "jerk down" will be defined in accordance with PRCA Rule R11.6.5 and will be enforced at all PRCA sanctioned events.

CALIFORNIA RODEO TIE-DOWN GROUND RULE

The following "no jerk down" ground rule for the tie-down roping will be in effect for all California PRCA-approved rodeos:

- Each individual animal shall weigh no less than 215 pounds and no more than 285 pounds. Fresh tie-down cattle can weigh no more than 275 pounds.
- All fresh tie-down cattle must be prepared prior to competition as follows:
 - Stock contractor will be subsidized by the PRCA National Office an amount equal to \$10.00 per animal prepared. Stock contractor is to contact the Director of Rodeo Administration at the PRCA National Office with the number of tie-down cattle prepared and the name(s) of the person(s) who helped in animal preparation no later than the first PRCA National Office business day following the actual animal preparation. Tie-down cattle are not to be used for PRCA-rodeo competition until this information has been reported accordingly.
 - Animal preparation shall be defined as each animal roped a minimum of twice from a horse and tied. If after this procedure is used, an animal appears objectionable, it may be eliminated from competition.
 - Failure of the Stock Contractor to meet the requirements of items 1, 2a, or 2b listed above shall result in a fine to the stock contractor of record of \$50.00 per head for the first offense, with that fine progressively doubling with every reported offense, thereafter.
 - Ground preparation will require that arenas be prepared in accordance with Rule R4.8.1 and Rule R4.8.3.
 - "Jerk down" shall be defined as straight over backwards, with the animal landing on his back or head with all four feet in the air.
 - Intentional jerk down will result in disqualification from go-round in which infraction took place, plus a \$100 fine per offense.
 - Unintentional jerk down will result in disqualification from go-round in which infraction took place.
 - If tie-down cattle and/or ground are not prepared properly, contestant fines will remain, but the disqualifications issued will be dismissed.
 - Score line for the tie-down roping at all rodeos shall be set according to PRCA Rulebook specifications. The length of the box less 4 feet, unless otherwise approved by the event Representative.

TD, SW, TR - The qualifications for circuit money won will be 50% from 2012 circuit money and 50% from 2011 circuit money won. If a contestant qualifies in both categories, he will be placed in the 2012 circuit money position for all three timed events. If there are not enough contestants in the current year money won category to fill the allotted positions, the remaining positions will be filled with contestants from the previous year circuit money won category.

TD, SW, TR - 80 minimum entries (or teams). No compensation. Two go-rounds. Back to back. The first go-round of each back to back group will be run at 10 AM on the day of the performance. The 10 fastest times from the 1st go-round of each back to back group will compete during the performance that night (slowest time will run first, fastest time will run last). If splits result in more than 10, a random draw will determine which contestants will compete in performance and which will compete in the slack. The order of competition of ties from the first go-round will also be determined by random draw. If there are not 10 qualified times from the first go-round to fill the performance, the remaining positions will be filled by contestants based on the reverse order of their first go-round positions (only contestants who competed in first go-round will be placed in the performance). The remaining contestants (not placed in the performance) will run their second go-round in slack, immediately following the completion of their first go-round in reverse order of their first go-round position. The order will be the same as competition order.

IN ORDER OF SELECTION: - 70% top money - 30% top circuit

NOTIFY PROCOM: Notification must be made at the time of entry if claiming an exemption from qualification. Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. A contestant will not be accepted as an entry at an X-Bulls Event if he is already placed in a position at another PRCA rodeo or event on the same day as the X-Bulls Event.

CHECK-IN: Contestants must check in or notify arena secretary 1 hour prior to the start of the event. Failure to do so will result in an alternate contestant being selected and allowed to compete.

ALTERNATES: Only contestants that were drawn out due to qualifications will be selected as alternates. Alternates will be selected based on 2012 money won (as of 7 days prior to entry closings). Contestants who are placed in a position at another PRCA rodeo or event on the same day as the Xtreme Bulls Event will not be eligible to be used as an alternate. Contestants who have originally entered and were eligible at time of entry may check in with or call the venue secretary no later than 1 hour prior to the perf to confirm their availability and desire to be an alternate. If selected, an alternate will assume the competition position of the contestant that he is replacing and if stock has been drawn, he will receive the stock drawn by that contestant. If a contestant notifies a turn-out or VIR and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. The rodeo will not count toward the official rodeo count for the turned-out contestant. If the contestant that notified the turn-out or VIR is not replaced by an alternate, he will be responsible for the entry fees and the rodeo will count towards the official rodeo count. Any non-notified turn-out will be responsible for entry fees and the rodeo will count towards the official rodeo count, even if they are replaced. The alternate will also be responsible for the entry fees. If a contestant properly doctor releases he will not be responsible for entry fees nor will the event be applied to his official count.

STOCK DRAW: The draw will not be posted for public or contestants until 90 mins prior to the start of the performance. Selection of bulls for the finals will be accomplished by mutual agreement among the event representative or his duly designated appointee, the primary stock contractor, and a judge designated by the Supervisor of Pro Officials.

PAY-OFF: 6% of the total purse is to be deducted prior to the pay-off and sent in with the results. Pay-off will be determined on the highest marked scores - 30% of the total purse will be allocated to the long go-round. Pay 8 places. 20% of the total purse will be allocated to the final go-round. Pays 6 places. 50% of the total purse will be allocated to the average. Pays 8 places. All percentages will be divided in accordance with the rulebook. In addition, any money won in the final go-round will be considered ground money (no championship points).

NOTE: In order for money won in Xtreme Bulls Competition (including Div 2 qualifying events) to count for the 2012 National Finals Rodeo or 2012 Rookie of the Year Standings, during the 2012 season, a contestant must have entered and competed at a minimum of forty PRCA rodeos. Money won will count for PRCA World Standings and Xtreme Bulls Standings. It will not count for circuit standing or towards a circuit rodeo count. FINALS: June 14- 7:00 PM BR

EVENTS: BR @ \$40000

SPECIAL ENTRY FEES: BR-\$250

PERMITS: BR

GROUND RULES: ALL EVENTS - Re-entries will be accepted for available positions on Fri., June 8 between 10 AM and 12 PM. See Rodeo Entry Information page of the business journal.

ALL CONTESTANTS - This is a Rodeopay rodeo.

ALL CONTESTANTS - All contestants must sign a release form at check-in.

COMPETITION FORMAT - 40 minimum entries. One 40 contestant go-round with top 12 (finals will not exceed 12). If there are not 12 qualified rides, all remaining positions will be filled by random draw (by the judges). If the 12th contestant is tied going into the final round, the tie will be broken by the back judge. If he cannot break the tie, all tied contestants will draw chips to see who advances to the finals.

IN ORDER OF SELECTION - 90% top money - 10% random draw of exemptions

NOTIFY PROCOM: Notification must be made at the time of entry if claiming an exemption from qualification. Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. Contestants claiming medical exemptions must have been injured at least six (6) months during the 2011 rodeo year. Contestant must not have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos or events held during the 2011 rodeo year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address and phone number, must be received by the PRCA National Office prior to entry opening. If a

contestant with a medical exemption is drawn (during the random draw of exemptions) his "money won" from the year previous to the qualification category being considered will be used to determine whether or not he will be accepted. (If he was injured for 6 months during the 2011 rodeo year, his "money won" from the 2010 rodeo year will be used in comparison to the "money won" from the 2011 rodeo year for the other contestants entered). A contestant will not be accepted as an entry at an X-Bulls Event if he is already placed in a position at another PRCA rodeo or event on the same day as the X-Bulls Event.

CHECK-IN: Contestants must check in or notify arena secretary 1 hour prior to the start of the event. Failure to do so will result in an alternate contestant being selected and allowed to compete.

ALTERNATES: Only contestants that were drawn out due to qualifications or conflicts will be selected as alternates. Alternates will be selected based on 2012 money won (as of 7 day prior to entry closings). Contestants who are placed in a position at another PRCA rodeo or event on the same days as the Xtreme Bulls Event will not be eligible to be used as an alternate. Contestants who have originally entered and were eligible at time of entry may check in with or call the venue secretary no later than one hour prior to the performance to confirm their availability and desire to be an alternate. If selected, an alternate will assume the competition position of the contestant that he is replacing and if stock has been drawn, he will receive the stock drawn by that contestant. If a contestant notifies a turn-out and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. The rodeo will not count toward the official rodeo count for the turn-out contestant. If the contestant that notified the turn-out is not replaced by an alternate, he will be responsible for entry fees and the rodeo will count towards the official rodeo count. Any non-notified turn-out will be responsible for entry fees and the rodeo will count towards the official rodeo count, even if he is replaced. The alternate will also be responsible for entry fees. If a contestant properly doctor releases he will not be responsible for entry fees nor will the event be applied to his official rodeo count. If a contestant turns out of a Division 1 event after stock draw and a replacement is not found, he will be charged a \$500 turn out fine.

STOCK DRAW: Stock will be drawn per the rulebook. The event will count towards the official rodeo count for any contestant that turns out after stock callbacks, whether that contestant is replaced or not.

HONEST EFFORT: At any Division 1 Xtreme Bull Riding event, a contestant must make an honest effort to compete on the stock drawn for such contestant. If in the opinion of the Pro Official, the contestant has the opportunity to nod for the bull and does not, the contestant will be disqualified and suspended for the next two Division 1 Xtreme Bull Ridings. The determination of the Pro Official will be final. In addition to the disqualification, the fine will progressively double for each reoccurring offense.

PAY-OFF: 6% of the total purse is to be deducted prior to the pay-off and sent in with the results. Pay-off will be determined on highest marked scores. -30% of the total purse will be allocated to the long go-round, pays 8 places. - 20% of the total purse will be allocated to the final go-round, pays 6 places. - 50% of the total purse will be allocated to the average, pays 8 places. All percentages will be divided in accordance with the rulebook. Any contestant who advances into a final go-round solely by random draw (no qualified rides) will not be eligible to participate in the average pay-off. In addition, any money won in the final go-round will be considered ground money (no championship points).

NOTE: In order for money won in Xtreme Bulls competition (including Division II qualifying events) to count for the 2012 National Finals Rodeo or the 2012 Rookie of the Year Standings, during the 2012 season, a contestant must have entered and competed at a minimum of forty (40) PRCA rodeos. It will not count for circuit standings or towards a circuit rodeo count. EFSM: \$250 EF plus \$35 Central Entry Office/Supplemental Insurance fee (\$285 Total).

TD, SW, TR - The qualifications for circuit money won will be 50% from 2012 circuit money and 50% from 2011 circuit money won. (If a contestant qualifies in both categories, 2012 circuit money won and 2011 circuit money won, he will assume the position among the 2012 circuit money won category for all 3 timed events). If there are not enough contestants in the current year circuit money won category to fill the allotted positions, the remaining positions will be filled with contestants from the previous year circuit money won category.
QUALIFICATIONS: BB & SB - 48 minimum entries. No compensation. Two go-rounds back to back, perf to perf, W/F's (12). \$5000 held out for finals. No slack.
BR - 96 minimum entries. No compensation. W/F's (12). \$5000 held out for finals. No slack.
TD, SW & TR - 96 minimum entries (or teams). No compensation. Two go-rounds W/F's (12) Back to back, slack to perf, or slack to slack. First go-round will be at 2:00 PM each day (June 15-22). (Approximately 12 contestants or teams per day). The contestants with the top 8 fastest times from the first go-round will be placed in the performance (slowest time will run first, fastest time will run last). If splits result in more than 8, a random draw will determine which contestants will compete in the performance and which will compete in slack. The order of competition of ties from the first go- round will also be determined by random draw. If there are not 8 qualified times from the first go-round to fill the performance, the remaining positions will be filled by contestants based on the reverse order of their first go- round positions (Only contestants who competed in the first go-round will be placed in the performance). The remaining contestants (not placed in the performance) will run their second go-round in slack immediately following the completion of the first go-round in reverse order of their first go-round position. The order of the draw will be the same as the competition order.

GROUND RULES: ALL CONTESTANTS - Re-entries will be accepted for available positions on Thur., June 21 between 12 and 2 PM. See Rodeo Entry Information page of the business journal.
ALL CONTESTANTS - This is a Rodeopay rodeo.
COMPETITION FORMAT - 40 minimum entries. One 40 contestant go-round with top 12 finals (will not exceed 12). If there are not 12 qualified rides, all remaining positions will be filled by random draw (by judges). If

the 12th contestant is tied going into the final round, the tie will be broken by the back judge. If he cannot break the tie, all tied contestants will draw chips to see who advances to the finals.

CONTESTANT SELECTION FORMULAS DIV 2: - 70% top money - 30% top circuit

NOTIFY PROCOM - Notification must be made at the time of entry if claiming an exemption from qualification. Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. Contestants claiming medical exemptions must have been injured at least six (6) months during the 2011 rodeo year. Contestant must not have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos or events held during the 2011 rodeo year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address and phone number, must be received by the PRCA National Office prior to entry opening. A contestant will not be accepted as an entry at an X-Bulls Event if he is already placed in a position at another PRCA rodeo or event on the same day as the X-Bulls Event.

CHECK-IN - Contestants must check in or notify arena secretary 1 hour prior to the start of the event. Failure to do so will result in an alternate being selected and allowed to compete.

ALTERNATES - Alternates will be selected based on 2012 money won (as of 7 days prior to entry closing). Only contestants that were drawn out due to qualifications or conflicts will be selected as alternates. Contestants who are placed in a position at another PRCA rodeo or event on the same day as the Xtreme Bulls Event will not be eligible to be used as an alternate. Contestants who have originally entered and were eligible at the time of entry may check-in with or call the venue secretary no later than 1 hour prior to the performance to confirm their availability and desire to be an alternate. If selected, an alternate will assume the competition position of the contestant that he is replacing and if stock has been drawn, he will receive the stock drawn by that contestant. If a contestant notifies a turn-out and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. The rodeo will not count towards the official rodeo count for the turned-out contestant. If the contestant that notified the turn-out is not replaced by an alternate, he will be responsible for the entry fees and the rodeo will count towards the official rodeo count, even if he is replaced. The alternate will also be responsible for the entry fees. If a contestant properly doctors releases, he will not be responsible for entry fees nor will the event be applied to his official rodeo count.

STOCK DRAW: The draw will not be posted for public or contestants until 90 minutes prior to the start of the performance. Selection of bulls for the finals will be accomplished by mutual agreement among the event representative or his duly designated appointee, the primary stock contractor, and a judge designated by the Supervisor of Pro Officials.

PAY-OFF - 6% of the total purse is to be deducted prior to the pay-off and sent in with the results. Pay-off will be determined on highest marked scores. 30% of the total purse will be allocated to the long go-round, pays 8 places. 20% of the total purse will be allocated to the final go-round, pays 6 places. 50% of the total purse will be allocated to the average, pays 8 places. All percentages will be divided in accordance with rulebook. Any contestant who advances into a final go-round solely by random draw (no qualified rides) will not be eligible to participate in the average pay-off. In addition, any money won in the final go-round will be considered ground money (no championship points).

NOTE - In order for money won in Xtreme Bulls competition (including Division 2 qualifying events) to count for the 2012 National Finals Rodeo or the 2012 Rookie of the Year Standings, during the 2012 season, a contestant must have entered and competed at a minimum of forty (40) PRCA rodeos. Money won will count for PRCA World Standings and Xtreme Bulls Standings. It will not count for Circuit Standings or towards a circuit rodeo count. EF's - \$100 EF plus \$35 Central Entry Office/Supplemental Insurance fee (\$135 total).

GROUND RULES: ALL CONTESTANTS - Re-entries will be accepted for available positions on Tues., June 26 between 10 AM and 12 PM. See Rodeo Entry Information page of the business journal.

ALL CONTESTANTS - This is a Rodeopay rodeo.

COMPETITION FORMAT: 40 minimum entries. One 40 contestant go-round with top 12 finals (will not exceed 12). If there are not 12 qualified rides, all remaining positions will be filled by random draw (by the judges). If the 12th contestant is tied going into the final round, the tie will be broken by the back judge. If he cannot break the tie, all tied contestants will draw chips to see who advances to the finals.

IN ORDER OF SELECTION: - 90% top money - 10% random draw of exemptions

NOTIFY PROCOM: Notification must be made at the time of entry if claiming an exemption from qualification.

Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. Contestants claiming medical exemptions must have been injured at least six (6) months during the 2011 rodeo year.

Contestant must not have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos or events held during the 2011 rodeo year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address, and phone number, must be received

by the PRCA National Office prior to entry opening. If a contestant with a medical exemption is drawn (during the random draw of exemptions), his "money won" from the year previous to the qualification category being considered will be used to determine whether or not he will be accepted. If he was injured for six months during the 2011 rodeo year, his "money won" from the 2010 rodeo year will be used in comparison to the "money won" from the 2011 rodeo year for the other contestants entered. A contestant will not be accepted as an entry at an X-Bulls Event if he is already placed in a position at another PRCA rodeo or event on the same day as the X-Bulls Event.

CHECK IN: Contestants must check in or notify arena secretary 1 hour prior to the start of the event. Failure to do so will result in an alternate contestant being selected and allowed to compete.

ALTERNATES: Alternates will be selected from a list established by PROCOM based on 2012 money won (as of 7 days prior to entry closing). (Only contestants that were drawn out due to qualifications or conflicts will be selected as alternates). A contestant who is placed in a position at another PRCA rodeo or event on the same day as the Xtreme Bulls Event will not be eligible to be used as an alternate. Contestants who have originally entered and were eligible at the time of entry may check-in with or call the venue secretary no later than 1 hour prior to the performance to confirm their availability and desire to be an alternate. If selected, an alternate will assume the competition position of the contestant that he is replacing and if stock has been drawn, he will receive the stock drawn by that contestant. If a contestant notifies a turn-out or V.I.R and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. The rodeo will not count toward the official rodeo count for the turned-out contestant. If the contestant that notified the turn-out or V.I.R is not replaced by an alternate, he will be responsible for the entry fees and the rodeo will count towards the official rodeo count. Any non-notified turn-out will be responsible for entry fees and the rodeo will count towards the official rodeo count, even if he is replaced. The alternate will also be responsible for entry fees. If a contestant properly doctor releases he will not be responsible for entry fees nor will the event be applied to his official rodeo count. If a contestant turns out of the Division 1 event after the stock draw and a replacement is not found, he will be charged a \$500 turn-out fine.

STOCK DRAW: Stock will be drawn per the rule book. The event will count towards the official rodeo count for any contestant that turns out after stock callbacks, whether that contestant is replaced or not.

HONEST EFFORT: At any Xtreme Bull Riding Event, a contestant must make an honest effort to compete on the stock drawn for such contestant. If in the opinion of the Pro Official, the contestant has the opportunity to nod for the bull and does not, the contestant will be disqualified and suspended for the next two Division 1 Xtreme Bull Ridings. The determination of the Pro Official will be final. In addition to the disqualification, the fine will progressively double for each re-occurring offense.

PAYOFF: 6% of the total purse is to be deducted prior to the pay-off and sent in with the results. Pay-off will be determined on highest marked scores. 30% of the total purse will be allocated to the long go-round, pays 8 places. 20% of the total purse will be allocated to the final go-round, pays 6 places. 50% of the total purse will be allocated to the average, pays 8 places. All percentages will be divided in Accordance with rulebook. Any contestant who advances into a final go-round solely by random draw (no qualified rides) will not be eligible to participate in the average pay-off. In addition, any money won in the final go-round will be considered ground money (no championship points).

NOTE: In order for money won in Xtreme Bulls competition (including division 2 qualifying events) to count for the 2012 National Finals Rodeo or 2012 Rookie of the Year standings, during the 2012 season, a contestant must have entered and competed at a minimum of forty (40) PRCA rodeos. Money won will count for PRCA World Standings and Xtreme Bulls Standings. It will not count for circuit standings or towards a circuit rodeo count. EF's: \$250 EF plus \$35 Central Entry Office/Supplemental Insurance Fee (\$285 Total).

GROUND RULES: Only actual contestant and one companion allowed gate access.
ALL EVENTS: All contestants are required to wear PRCA patch while competing.
ALL EVENTS - There will be an extended grace period for those contestants who are entered and meet qualifications to change preferences on June 1 between 2 and 4 PM.
ALL EVENTS: The "30 hour replacement" rule will be in effect. See the Rodeo Entry Information page of the Business Journal.
TRADE DEADLINE - Tues., June 26 at 5 PM. All confirmed trades will be final and will be processed each business day at 5 PM by PROCOM.
ALL CONTESTANTS - This is a Rodeopay rodeo.
ALL EVENTS - If a contestant notifies a turn-out prior to the 30-hour deadline for his scheduled competition time, turn-out fines will be waived, if and only if he is replaced.
ALL EVENTS - "No conflict" will be guaranteed at all Gold and Silver tour rodeos (where possible), as long as the contestant does not create the conflict by giving conflicting preferences. (A contestant should not use the "No Same Day" preference in this instance unless he wants the possibility of being drawn out.) This does not include conflicts with SR positions.
EXEMPTIONS FROM QUALIFICATIONS - Contestants must notify PROCOM at the time of entry if they are claiming an exemption from qualification. Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for medical exemption. Contestant claiming medical exemptions must have been injured for at least six (6) months during the 2011 rodeo year. Contestant must not have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address and phone number, must be received by the PRCA National Office prior to entry opening.
TD - There will be a stock charge of \$5 per go-round.
TD, SW, TR - The qualifications for circuit money won will be 50% from 2012 circuit money won and 50% from 2011 circuit money won. (If a contestant qualifies in both categories, 2012 and 2011 circuit money won, he will assume the position among the 2012 circuit money won category for all three timed events.) This applies to the circuit qualifications only. If there are not enough contestants in the current year circuit money won category to fill the allotted positions, the remaining positions will be filled with contestants from the previous year circuit money won category.
QUALIFICATIONS: BB, SB, BR - 60 minimum entries. No compensation. No slack.
TD, SW - 110 minimum entries,
TR - 90 minimum teams.
TE - Two go-rounds. Back to back. The first go-round for each back to back group will be run during morning slack (July 1-3 at 10 AM, and July 4 at 8AM). The committee will have the option of designating two contestants (or teams) to compete during the performance that night for their second go-round. This designation must be made by the committee through PROCOM by 5 PM the day after the first go-round trade deadline. Also, the contestants with the top ten fastest times from the first go-round will be placed in the performance (slowest time will run first, fastest time will run last.) The number of contestants placed in the performance will not exceed 10, unless one or both of the committee designated contestants are not among the top 10 from the first go-round (in this case the

maximum could be 11 or 12). If the committee designated contestants are among the top 10, they will assume their position based on their first go-round time. If they are not among the top 10, they will run first in the performance (if neither of the two designated contestants are among the top 10, they will run first and second based on the reverse order of their first go-round positions). If splits result in more than 10, a random draw will determine which contestants will compete in the performance and which will compete in slack. The order of competition of ties from the first go-round will also be determined by random draw. If there are not 10 qualified times from the first go-round to fill the performance, the remaining positions will be filled by contestants based on the reverse order of their first go-round positions. The remaining contestants (not placed in the performance) will run their second go-round in slack immediately following the completion of the first go-round in reverse order of their first go-round position. The order of the draw will be the same as the competition order.

GROUND RULES: ALL EVENTS with qualifications - The "30 hour replacement" rule will be in effect. See Rodeo Entry Information page of the business journal.
ALL CONTESTANTS - In addition to the "30-hour replacement" rule, PROCOM will replace TO's, DR's, DO's, and VIR's in compliance with the "30-hour replacement" rule up to the turn-out deadline of each performance (3 hours prior to the performance). At this point in time, the secretary will receive the notified TO's and DR's for that performance along with the alternate list established by PROCOM for each event in which contestants were drawn out due to qualification or due to using the "No same day" preference or the "replace me" parameter. All TO's, DR's, VIR's, and DO's (including contestants who notified after the 30-hour deadline, but before the 3 hour turn-out deadline) may be replaced by contestants on the alternate list. Contestants who desire to be accepted as alternates must check-in with the rodeo secretary prior to the timed event and riding event replacement stock draw, which will be no earlier than one and one half hours prior to the performance (or slack). Riding event stock for replacements will be drawn at this time as well, from a pool of animals consisting of the animals drawn by the contestants who notified turn-outs through PROCOM (includes DR's, DO's and VIR's) and the designated re-ride (if still available). If more contestants check-in with the rodeo secretary than there are positions available, the contestants accepted will be determined by their order on the alternates list (established by PROCOM). Contestants who are placed in a position at another PRCA rodeo or event on the same day as the position being replaced will not be eligible to be an alternate for that position. Conflicting positions for each alternate will also be listed on the alternate list.
TRADE DEADLINE - Tues., July 3 at 5 PM. All confirmed trades will be final and will be processed each business day at 5 PM by PROCOM.
ALL CONTESTANTS - This is a Rodeopay rodeo.
ALL CONTESTANTS - Contestants are required to wear the PRCA patch while competing.
ALL EVENTS - If a contestant notifies a turn-out prior to the 30-hour deadline for his scheduled competition time, turn-out fines will be waived, if and only if he is replaced.
EXEMPTIONS FROM QUALIFICATIONS - Contestants

must notify PROCOM at the time of entry if they are claiming an exemption from qualification. Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeo held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. Contestants claiming medical exemptions must have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address and phone number, must be received by the PRCA National Office prior to the entry opening.

TD - Stock charge of \$5 per go-round.

TR - Only two loops allowed.

TD, SW, TR - The first go-round of each back to back group will be run during the afternoon slack (1 PM on July 10, and 12 PM on July 11, 12 and 13). The second go-round will begin immediately following the completion of the first and will conclude during the performance that night. The contestants with the ten fastest times from the first go-round of each "back to back" group will compete during the performance that night (slowest time will run first, fastest time will run last). If splits result in more than ten, a random draw will determine which contestants will compete in the performance and which will compete in the slack. The order of competition of ties from the first go-round will also be determined by random draw. If there are not 10 qualified times from the first go-round to fill the performance, the remaining positions will be filled by contestants based on the reverse order of their first go-round positions (only contestants who competed in the first go-round will be placed in the performance). The remaining contestants (not placed in the performance) will run their second go-round in slack, immediately following the completion of the first go-round in reverse order of their first go-round positions. The order of the draw will be the same as the competition order.

TE - The qualifications for circuit money won will be 50% from 2012 circuit money won and 50% from 2011 circuit money won. (If a contestant qualifies in both categories, 2012 and 2011 circuit money won, he will assume the position among the 2012 circuit money won category for all three timed events.) This applies to circuit qualifications only. If there are not enough contestants in the current year circuit money won category to fill the allotted positions the remaining positions will be filled with contestants from the previous year circuit money won category.

ALL EVENTS - Re-entries will be accepted for available positions on Thurs., July 5 between 10 AM and 12 PM. See Rodeo Entry Information page of the business journal.

TRADE DEADLINE - Tues., July 3 at 5 PM. All confirmed trades will be final and will be processed each business day at 5 PM by PROCOM.

ALL CONTESTANTS - This is a Rodeopay rodeo.

ALL EVENTS - If a contestant notifies a turn-out prior to the 30-hour deadline for his scheduled competition time, turn-out fines will be waived, if and only if he is replaced.

ALL EVENTS - "No conflict" will be guaranteed at all Gold and Silver tour rodeos (where possible), as long as the contestant does not create the conflict by giving conflicting preferences. (A contestant should not use the "No Same Day" preference in this instance unless he wants the possibility of being drawn out).

EXEMPTIONS FROM QUALIFICATIONS - Contestants must notify PROCOM at the time of entry if they are

claiming an exemption from qualification. Anyone claiming an exemption must have entered any paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. Contestants claiming medical exemptions must have been injured at least six (6) months during the 2011 rodeo year. Contestant must not have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address and phone number, must be received by the PRCA National Office prior to entry opening.

SLACK ORDER - Will be GB, SW, TR, TD.

TD - Stock charge \$5 per go-round.

TR - Score will be 20 ft.

TE - The qualifications for circuit money won will be 50% from 2012 circuit money won and 50% from 2011 circuit money won. (If a contestant qualifies in both categories, 2012 and 2011 circuit money won, he will assume the position among the 2012 circuit money won category for all three timed events.) This applies to circuit qualifications only. If there are not enough contestants in the current year circuit money won category to fill the allotted positions, the remaining positions will be filled with contestants from the previous year circuit money won category.

QUALIFICATIONS: BB & SB - 60 minimum entries. No compensation. No slack.

BR - 75 minimum entries. No compensation. No slack.

TD, SW, TR - 100 minimum entries (or teams). No compensation. Two go-rounds. Back to back. The first go-round for each of the first three back to back groups will be run at 8 AM on the day of the performance. The contestants (or teams) with the 10 fastest times from the first go-round will be placed in the performance (slowest time will run first, fastest time will run last). The number of contestants placed in the performance will not exceed 10. If splits result in more than 10, a random draw will determine which contestants will compete in the performance and which will compete in the slack. The order of competition of ties from the first go-round will also be determined by random draw. If there are not ten qualified times from the first go-round to fill the performance, the remaining positions will be filled with contestants based on reverse order of the first go-round (Only contestants who competed in the first go-round will be placed in the performance). The remaining contestants (not placed in the performance) will compete in the slack immediately following the completion of first go-round in reverse order of their first go-round positions. The order of the draw will be same as the competition order. The two performances on Sat., July 14 will be back to back, perf to perf (1:00 PM performance will be first go-round, the 7:30 PM performance will be second go-round).

GB - Approved for first slack event in accordance with R4.9.4.

ALL CONTESTANTS: All contestants are required to wear PRCA patch while competing.

ALL EVENTS: The "30 hour replacement rule" will be in effect. See Rodeo Entry Information page of the Business Journal

ALL CONTESTANTS - In addition to the "30-hour replacement" rule, PROCOM will replace TO's, DR's, DO's, and VIR's in compliance with the "30-hour replacement" rule up to the turn-out deadline of each performance (3 hours prior to the performance). At this point in time, the secretary will receive the notified TO's and DR's for that performance along with the alternate list established by PROCOM for each event in which contestants were drawn out due to qualification or due to using the "No same day" preference or the "replace me" parameter. All TO's, DR's, VIR's, and DO's (including contestants who notified after the 30-hour deadline, but before the 3 hour turn-out deadline) may be replaced by contestants on the alternate list. Contestants who desire to be accepted as alternates must check-in with the rodeo secretary prior to the timed event and riding event replacement stock draw, which will be no earlier than one and one half hours prior to the performance (or slack). Riding event stock for replacements will be drawn at this time as well, from a pool of animals consisting of the animals drawn by the contestants who notified turn-outs through PROCOM (includes DR's, DO's and VIR's) and the designated re-ride (if still available). If more contestants check-in with the rodeo secretary than there are positions available, the contestants accepted will be determined by their order on the alternate list (established by PROCOM). Contestants who are placed in a position at another PRCA rodeo or event that conflicts with the position being replaced will not be eligible to be an alternate for that position. Conflicting positions for each alternate will also be listed on the alternate list.

ALL EVENTS - Re-entries will be accepted for available positions on Thur., July 5 between 10 AM and 12 PM. See Rodeo Entry Information page of the business journal.

Anyone claiming an exemption must have entered and paid fees at a minimum of twenty (20) PRCA sanctioned rodeos held during the 2011 rodeo year, unless the contestant qualifies for a medical exemption. Contestants claiming medical exemptions must have been injured at least six (6) months during the 2011 rodeo year. Contestant must not have entered and paid fees at more than twenty (20) PRCA sanctioned rodeos or events held during the 2011 year. A letter from a licensed physician on doctor's letterhead bearing the doctor's name, address and phone number, must be received by the PRCA National Office prior to entry opening.

SR - Three go-rounds plus progressive. First three go-rounds held during slack July 10 at 7 AM. Contestants in the progressive go-round may trade. \$35 stock charge per go-round.

TD - Stock charge \$5 per go-round.

SLACK ORDER - GB, TR, TD, SW.

TE - The qualifications for circuit money won will be 50% from 2012 circuit money won and 50% from 2011 circuit money won. (If a contestant qualifies in both categories, 2012 and 2011 circuit money won, he will assume the position among the 2012 circuit money won category for all three timed events.) QUALIFICATIONS: BB & SB - 48 minimum entries. No compensation. No slack.

BR - 48 minimum entries. No compensation. No slack.

TD, SW, TR - 90 minimum entries (or teams). No compensation. Two go-rounds. Back to back. The first go-round for each back to back group will be run at 9 AM on the day of the performance. The committee

will have the option of designating two contestants (or teams) to compete during the performance that night for their second go-round. This designation must be made by the committee through PROCOM by 5 PM the first business day after the first go-round trade deadline. Also, the contestants with the top ten fastest times from the first go-round will be placed in the performance (slowest time will run first, fastest time will run last). The number of contestants placed in the performance will not exceed 10, unless one or both of the committee designated contestants are not among the top 10 from the first go-round (in this case the maximum could be 11 or 12). If the committee designated contestants are among the top 10, they will assume their position based on their first go-round time. If they are not among the top 10, they will run first in the performance (if neither of the two designated contestants are the top 10, they will run first and second based on the reverse order of their first go-round positions). If splits result in more than 10, a random draw will determine which contestants will compete in the performance and which will compete in the slack. The order of competition of ties from the first go-round will also be determined by random draw. If there are not 10 qualified times from the first go-round to fill the performance, the remaining positions will be filled by contestants based on the reverse order of their first go-round positions (only contestants who competed in the first go-round will be placed in the performance). The remaining contestants (not placed in the performance) will run their second go-round in slack immediately following the completion of the first go-round in reverse order of their first go-round. The order of the draw will be the same as the competition order.

TD, SW, TR - If a contestant qualifies for the finals at Casper and is placed in the Saturday morning slack at Sheridan on July 14, he will be allowed to compete on his second go-round animal immediately following the completion of the first go-round as long as he notifies the rodeo secretary prior to the stock draw for the second go-round. These contestants will compete first (and draw last) in the second go-round in reverse order of their first go-round positions regardless of their first go-round times. The ten contestants (or teams) with the fastest times, excluding the contestants who qualify for the finals at Casper and are run in slack, will be placed in the performance following the same procedures outlined in the previous ground rule.

ATTENTION CONTESTANTS

NSD (“No Same Day”) and NSP (“No Same Performance”) Preferences

The NSD (“No Same Day”) and NSP (“No Same Performance”) preferences can ensure that a contestant will not be placed to compete at two or more different PRCA rodeos either on the same day or within the same performance time frame. For the purpose of the NSP (“No Same Performance”) preference, performance (or slack) start times will be defined as: 12:00 AM through 11:59 AM as a morning performance or slack, 12:00 PM through 5:59 PM as a matinee performance or slack, and 6:00 PM through 11:59 PM as a night performance or slack. Only conflicts with other PRCA sanction rodeos or events will be checked. Conflicts with Canadian rodeo will NOT be checked.

The contestant must give, at the time of entry, a specific performance or slack, generic slack, or the middle as a first preference to use the NSD or NSP as a second preference. Conflicts will not be checked if a contestant receives his first preference (the contestant will be responsible for not creating a conflict by giving a conflicting first preference). If a contestant does not receive his first preference, he will be placed in the first available non-conflicted position or be drawn out (if a non-conflicted position is not available), if and only if he gives an NSD or NSP as a second preference. Only the first go-round of a two or more go-round rodeo will be checked for conflicts with the exception of back to back formats or where the second or subsequent go-round cannot be traded. If trades for subsequent go-rounds at a specific rodeo will not be allowed, conflicts will be checked for all go-rounds at that rodeo (this does not apply to progressives and finals). Where the PRCA rulebook allows, second and subsequent go-round trades will be done through the rodeo secretary. If the NSD or NSP is used while entering a given rodeo, only the original position (drawn by PROCOM) at a rodeo with conflicting dates will be checked for conflicts, if the first go-round trade deadline has not yet expired. Once the first go-round trade deadline has expired (and the trade is verified and final) then conflicts with the new traded position can be checked.

If a NSD or NSP preference is used, a contestant will not be placed in a conflicted position, he will be drawn out. If any one contestant in a buddy group has a conflict, the entire buddy group will be drawn out. If either team roping partner has a conflict, both team roping partners will be drawn out. This does not apply to multi-event buddy groups, since the same performance or slack in all events is not always guaranteed. The contestant may receive a non-conflicted position in one event and not in another. In this case the contestant can add a parameter with his entry at the time of entry to “draw out of all events, if drawn out of one due to the NSD or NSP preferences.”

For rodeos that have conflicting dates, the entries for the rodeos with the largest amount of total added money will generally close first. Therefore, a contestant will be placed in a rodeo with a larger purse first and then placed in the rodeo with the smaller purse if a non-conflicting position is available.

Contestants who give slack as a first preference are no longer required to give a performance as a second preference. Instead, contestants will also be allowed to give a specific slack, generic slack, or the middle for their first preference and another specific slack for a second preference. All other preferences and parameters that have been allowed in the past will remain the same.

If anyone has any questions, feel free to contact Chris Horton, Director of Rodeo Approvals and PROCOM at 719-528-4783.

Passed for 2012

The following was approved by the PRCA Board effective immediately for the 2012 rodeo season:

- Bull Riding 125 Official Rodeos (includes all Xtreme Bulls)

Change R10.5.3 Riding Rein. Riding rein and hand must be on same side. The rein can only ~~must~~ be attached on the bottom of the halter noseband unless fastening to the throat latch is preferred by the contestant. Barrelmen must be Financially Eligible and must have participated in at least eight PRCA-approved rodeos in the rodeo year that they apply for the NFR position with a minimum of 20 total performances in order to participate at the NFR. For purposes of this Bylaw, rodeos at which a Barrelman works only in a slack shall not count towards the minimum number of rodeos or performances required to participate at the NFR. A Barrelman Member may not work at the NFR unless he has filed an application, along with a list of rodeos he will work as a Barrelman during the rodeo year that he applies for a NFR position, with the Director of Rodeo Administration in accordance with this Section B13.5.1. Applications

for the barrel man position to the NFR will be accepted by the Director of Rodeo Administration up to May 1 of the calendar year in which the NFR will be held. A listing of the eligible barrelmen will be mailed no later than October 5 (of the calendar year in which the NFR will be held) to all financially eligible announcers and bullfighters that have participated in at least eight PRCA-approved rodeos with the minimum of 20 total performances as stated in B13.5.1. Announcers and bullfighters may vote for 1 ~~or 2~~ barrelman. The votes will be accepted through the Central Entry Office starting/through October 10 up to 5:00 pm MST on October 20. The barrelman receiving the most votes will be the NFR barrelman and the first runner-up will be the alternate barrelman for the NFR. In the case of a tie, a vote through the Central Entry Office will again be taken with the eligible list of announcers and bullfighters voting from October 25 up to 5:00 pm MST on October 30.

Change B13.5.1 Application. Contract Personnel must be Financially Eligible and must have participated in at least eight PRCA-approved rodeos in the rodeo year that they apply for the NFR position with a minimum of 20 total performances in the category applied for in order to participate at the NFR. For purposes of this Bylaw, rodeos at which a Contract Personnel Member works only in a slack shall not count towards the minimum number of rodeos or performances required to participate at the NFR. A Contract Personnel Member may not work at the NFR unless he has filed an application, along with a list of rodeos he will work as a Contract Personnel Member during the rodeo year that he applies for an NFR position, with the Director of Rodeo Administration in accordance with this Section B13.5.1. Applications for all contract personnel positions to the NFR will be accepted by the Director of Rodeo Administration up to May 1 of the calendar year in which the NFR will be held. No later than October + 15, the top 20 bareback and saddle bronc riders (based on the rodeo season year end in which the current NFR is being held) will vote for two pickup men, with the votes accepted through the Central Entry Office for one full entry week; the top 20 bull riders (based on the rodeo season year end in which the current NFR is being held) will vote for three bullfighters. For the one full entry week prior to October 15 following the first vote, the same top 20 bareback and saddle bronc riders will vote for two of the top four vote-getters in the pickup men category; the same top 20 bull riders will vote for three of the top five vote-getters in the bullfighting category. The top two vote-getters and one alternate (the third-place vote-getter in the final tally) in the pickup man category, the top three vote-getters in the bullfighting categories, will be selected for the NFR. All other contract personnel (excluding the barrel man) for the NFR shall be selected by the National Finals Rodeo Committee no later than October 30.

The following is a rulebook amendment:

Change B7.2.1 Rodeo Committee Executive Council Representative. In order to qualify as a nominee for the position of Rodeo Committee Executive Council, an individual, at the time of his nomination and election, 1) must be a Noncontestant Card Member-Rodeo Producer or the Rodeo Committee Contact (per Bylaw ~~B1.5.14.5~~ B1.5.13.5) of a Noncontestant Card Member-Rodeo Committee that is an Active Member sponsoring a PRCA-approved rodeo; 2) must not within the five calendar years preceding the year of election, have committed an infraction which resulted in a disciplinary suspension of six months or more; and 3) if a Member is a nominee for a purse money category representative position, he must also be a Rodeo Producer or the Rodeo Committee Contact of a Rodeo Committee which sponsored a rodeo in the purse money category for which the nominee has been nominated during the rodeo year prior to the year in which the election is to be held. If elected, a nominee must continue to be a Rodeo Producer or the Rodeo Committee Contact of a Rodeo Committee which sponsors a PRCA-approved rodeo; and 4.) Nominee must not have any other affiliation or card membership in the PRCA.

2013 Rule Proposals

New rule: Any rodeo which has a short go-round must add equal money in the team roping event. (M. Sherwood submitted 3/2011)

Change R3.1.5 ~~Tie-down Roping, Steer Wrestling, and Team Roping Draw~~

If One Animal For Every Entry. At rodeos where there is one animal for every entry, the Event Representative shall establish the herd and shall also designate those animals which shall be deemed extras, but not part of the original herd. Once the herd is established, one animal will be drawn per each contestant in the go-round. Those animals not drawn will be considered sleepers, and must be run (exhibitioned) at the end of the go-round. ~~Then, all animals, including the sleepers, are to be included in the draw for the next go-round. The sleepers will not be included in the draw for the next go-round.~~ (G. Tonozzi submitted 4/11)

Add R8.1.1 Timed Event Livestock. All TE livestock used at PRCA rodeos must be owned by a PRCA member of any of the following categories: 1. PRCA non-contestant card member stock-contractor; 2. PRCA non-contestant card member TE contractor; 3. PRCA contestant member. All TE livestock must have ownership markings (company brand or company name) showing either on eartags or branded on the animal. (S. Duvall submitted 4/11)

Change R1.2.14 Qualifying for Limited Entry Rodeos – Riding For All Events. Qualifications for limited entry rodeos during the early season of the rodeo year will be as follows: 1) rodeos with entries closing on or before January 31st of the current rodeo
