ROB SMETS

How often do you have the opportunity to have a ProRodeo Hall of Famer behind the mike?

When you tell your town's people who your rodeo announcer is, do they even know who he is?

Rob Smets is among the best known and most popular cowboys in the sport—a true “fan favorite”.

He is a seasoned professional in the announcer's booth and no one works a live promotion any better.

Rob has a lifetime of experience in conducting interviews, radio promotions, filming TV commercials and working live events.

And, you won't believe the crowds he can draw at your major sponsors' places of business for autograph sessions during your event.

Rob Smets fought bulls for 28 years, winning 5 World Championships, qualified for 17 NFR Wrangler Bullfights, worked 6 Times as a protection man at the NFR and worked 9 times at the PBR Finals.

He has competed in every rodeo event over the years—and still team ropes when given the chance. His knowledge of all the events and ability to explain what the fans need to be looking for are second to none. And nobody in the world has seen more bull rides “up close and personal” than Rob Smets.

Rob Smets will be a great addition to your rodeo. He has worked for Jerry Nelson, Chad Berger and Cotton Rosser—just to name a few. Extensive references are available upon request.

Contact Rob today and schedule to have “The Kamikaze” at your next rodeo!
